## COMPULSORY TraceTogether (TT) CHECK-IN

For safeEntry into the church premises, the TraceTogether App or Token must be used. Please ensure that your TraceTogether token is working, and if not, to replace it with a new one before attending Mass.

**You will be denied entry if you do not have a working Token** (e.g. battery run out or low or faulty - no light or red), as it is a mandatory requirement to aid in contact tracing.

For children under the age of seven, Trace Together is not required but they must be accompanied by a guardian who has either the TraceTogether Token or App.

For Mass attendance, all Singaporeans and Permanent Residents are required to present a physical personal ID such as NRIC / FIN for Mass Booking verification and scanning purposes. For short-term visitors, the Passport will be required. This verification is required for persons of all ages who are attending Mass.

## BOOKING OF MASS IN MARS

From June 2021, all bookings in MARS will come with a booking number which will be indicated on the myBooking page of my-Catholic.sg account.

For all Mass slots, the maximum will be 50 per Mass for the entire month of June.

These numbers will enable the Digital Church Office to better track attendees in the event that there is a sudden need to reduce the numbers. It will reduce the need for a Mass re-booking exercise should the number of Mass attendees be reduced, in keeping with the prevailing Covid-19 safety measures set by the Multi-Ministry Taskforce and MCCY.
